Subject: Town line siting - Squibnocket Pond

Good morning Tim,
Following up on the brief conversation we had at the post office
About the work done identifying the town line in Squibby Pond,
The AQ BOS acknowledges that Harbormaster Brian Vanderhoop
Requested that additional work be done and the Town will pay
That entire bill for the survey work.
If you are to receive any invoice from V. Land Surveying for the site line
Work done in Squibnocket Pond, please pass it along to me and I'll
Have it taken care of.
Thanks!

Adam Wilson
Town Administrator
Aquinnah, MA. 02535
